

PARKING INSTRUCTIONS

★ Entrance to Morgan Coakle from the street ▲ Entrance to Morgan Coakle client carpark P Public Carparking

Morgan Coakle client car parking is located at the rear of the AIG Building on Chancery Street. On the intercom keypad press 05 followed by the bell symbol to call Morgan Coakle. Wait for our receptionist to answer and lift the gate for you. She will give you a car park number to park in. Once the gate opens take the left hand side of the car park (not straight down the ramp). Take the 1st turn on the left and you will see the Morgan Coakle car park signs on the left. The lifts to our floor are located through the dark grey door (next to car park 90). Once you are through that door turn left and you will see the lift lobby ahead of you. Morgan Coakle is located on Level 9.
